COMPANY INFORMATION

With a counter-intuitive mix of provenance and personality, South + English is a home décor collection where opposites attract, and styles converge. For designers who seek unique, S+E's Custom Bespoke lineup may be the perfect fit. Designs are the peak of chic and available in a raft of finish options. The S+E High Point showroom is open by appointment all year-round and hosts a variety of special events. In fact, you can't miss our triple-storefront shop awash in purple on MLK Jr Drive, just off Wrenn.

S+E is the brainchild of longtime partners and creative collaborators Palmer Linwood Smith and David Ebbetts – the former an irrepressible live-large Southerner and the latter, a dialed-back, buttoned-up Brit. Honestly, they couldn't be more different. Therein lies the magic.

See you soon. For immediate enquiries, just email howdy@southandenglish.com.
