Jamie Young Company Reintroduces Customizable Lampshade Collection with New Styles, Textures, and Natural Materials

Innovative Collection of High-End, Handcrafted Lampshades Now Available to the Trade at High Point Market

LOS ANGELES, CA (October 2024) – [Jamie Young Co.](#), a leading designer and showroom in upscale lighting and decor, reintroduces its highly-requested **Lampshade Collection**, featuring new styles and premium natural materials that allows trade professionals to create a truly personalized look for their lamps. The new collection will be showcased at this year's High Point Market bringing fresh, artisan-crafted options to the market for interior designers, retailers, and design-minded clients.

Lampshades have been an integral segment of Jamie Young Co.'s brand history to bring variety and personality to its offering of lighting. As the market evolved, the brand streamlined its selection but now returns to offer a curated array of high-demand shapes and nature-driven materials. With durable, high-quality construction, and timeless style, the collection is designed to meet the evolving needs of today's design-savvy customers.

"We're excited to bring back one of our most popular offerings—a customizable lampshade program that allows our customers to elevate any lamp with a personal touch," said Jamie Young, Founder and President of Jamie Young Co. "This collection is all about versatility, style, and craftsmanship," added Young. "It's a quick, easy, and affordable way to refresh your space. Plus, with our shades always in stock and ready to ship from our warehouse, updating your decor has never been easier."

Each shade is sold separately, offering customers the flexibility to create their own custom look, whether pairing with a new Jamie Young Co. lamp base or refreshing an existing lamp at home. With 12 new SKUs ranging in shape, size, and materiality (ranging from natural linen, raffia, and boucle), the collection balances timeless design with a modern twist, making it the perfect way to update any room's decor.
