The Orchid Collection

Designed by Ludovica Serafini + Roberto Palomba

JANUS et Cie debuts the Orchid collection, a meticulously handwoven, sculptural lounge seating group by acclaimed Italian design team Ludovica Serafini and Roberto Palomba.

Consisting of a side chair, lounge chair, petite lounge chair, ottoman, two-seat sofa, and chaise lounge, Orchid features an innovative, contemporary silhouette comprised of generous curves and striking angles. Inspired by the Vanda orchid, the national flower of Singapore and a symbol of beauty and prosperity, Orchid's ergonomic forms cradle the human body and appear almost as if exquisitely draped fabric were frozen in time and space. Orchid is available in two colorways: Limestone/Limestone and Limestone/Palladium.
