Plume Tables

Designed by Patrick Norguet

JANUS et Cie introduces the Plume Cocktail Table Oval 110 and Plume Side Table Round 50, which echo their seating counterparts with alluring, curvilinear silhouettes, an open weave, and outdoor-friendly HPL-EX tabletops.

Plume is a meticulously crafted, European-inspired collection by acclaimed French contemporary designer, Patrick Norguet, echoing influences from modernist clamshell and classic, boho peacock chair profiles. Handwoven by skilled artisans from variegated, dual skein JANUSfiber over powder coated aluminum frames, the collection also includes two elegant lounge chairs—one high-back and one low-back—in two colorways: Smoke/Bronze and Reed/Talc.
