# MODERN PORTFOLIO

“

Eliminating unnecessary detailing doesn't mean eliminating the perfect details. That's what sets Jonathan Charles' **Modern** accents apart from others. Luxurious materials in the hands of craftsmen who have a discerning eye for line, curve, geometry and proportion are transformed into splendid signature pieces that uplift the environment in which they are placed. As opposed to much of the contemporary movement, **Modern** style incorporates practical functionality and ease of use, especially welcome elements in today's homes.
