HINKLEY PRESENTS AT HIGH POINT MARKET

Avon Lake, Ohio—Hinkley will showcase its freshest outdoor and interior collections at this October's High Point Market, including a new approach to crafting exterior lighting – The Art of Outdoor Lighting.

THE ART OF OUTDOOR LIGHTING

With a rich heritage of over a century, Hinkley is dedicated to crafting impeccable outdoor lighting designs with the same quality and style we put into our own homes. In 1922, Hinkley was founded as a small residential outdoor lantern company committed to thoughtful design, impeccable attention to detail, and unmatched craftsmanship. Over 103 years later, Hinkley has become one of the finest outdoor and interior lighting companies in the industry.

Hinkley's outdoor collections are curated to enhance your entire property with fixtures designed to illuminate every aspect of your exterior living space. Visit our showroom to explore our designs and begin crafting outdoor lighting with a cohesive, layered aesthetic across your entire landscape.

OUTDOOR DESIGNS FOR EVERY EXTERIOR

Expanding our outdoor offering, this season's newest designs are fashioned to provide modern design inspiration to exterior living spaces. Warm details for gathering areas and dark sky options to control the spread of light provide a welcoming mix to patios and porches.

BERGEN

Bergen's transitional design elevates home exteriors with beveled, clear glass and burnished bronze accents that add a vibrant touch of warm color.

FOLD

With creases in all the right places, Fold's meticulously crafted downlight design creates a chic Dark Sky option for contemporary exteriors.

NATURALLY INSPIRED INTERIOR COLLECTIONS

Natural materials and coastal aesthetics heavily inspire our new interior design families. These statement fixtures are crafted to bring an organic feel to your living space and add texture to your décor.

PRIMROSE

Artisan-crafted from handmade paper pressed with real flowers, Primrose's delightful shade with twisted rope detailing brings truly unique beauty and cozy ambiance to your space.

KEONA

A stunning combination of warmth and sophistication, Keona showcases inviting colors and rich textures with a modern, open frame wrapped in natural coco beads.

HARWICH

Add a touch of subtle coastal texture and transitional elegance to your décor. Harwich is crafted with slim, softly waved arms wrapped in natural fiber rope for added tactile richness.
